AwF Women & Gender Network

Pardon our Progress – AwF Women/Gender

The Women in Aquaculture session at the World Aquaculture Conference in Adelaide in June 2014 was the catalyst for establishing the Aquaculture without Frontiers (AwF) Women/Gender Network. The Network has grown to a 600+ membership but like all volunteer groups the Network ebbs and flows based on the efforts of small core of people. Anyone can easily join in discussions and get information by networking at
